## WOMAN IS HURT IN FALL

A runaway horse which became frightened at a speeding motorcycle, resulted in the injuring of Mrs. Worm, living on the Edwardsburg road, about 1 o'clock Sunday evening. Mrs. Worm was riding in a buggy near her home, south of the city, when the horse which she was driving became unmanageable at the approach of the motorcycle. She was thrown from the buggy and was painfully injured. She was taken to her home in a passing rig.

The motorcycle did not stop to see whether anyone was hurt or not, but continued to speed towards South Bend. The police department instituted a search for the driver of the machine, but no clue to his identity could be obtained.
